I am a Wife and Mother. My husband and I have one child that is 2 years old. My husband and I have been investing in Real Estate since 2007, we are both full time in Real Estate and Full time parents. I have been a Broker/Owner at Spearhead Realty since 2014, and Run my company based on our Core Values which are "A Commitment to Serving other," "A commitment to Building Long term relationships," and a Commitment to Executing our Fundamentals well." We practice these principals on a day to day basis.

Tell us why you would want to serve on the board of directors.

I would like to serve on the Board so that I can become a better broker, I feel like being involved will give me a different perspective as a Broker. I also Enjoy technology and helping things become more efficient. Also, I like the platform of Education that the MLS President is trying to implement. In my previous Career I worked in Human Resources and Specialized in Training and Development, and in my Real Estate Investing I am a Coach and Mentor, so Education is definitely something I am passionate about.
