Personal Life and Philosophy:

Hello! My name is Anya (Tanya without the 'T') and I'm the broker and co-owner of Spaces Real Estate, an independent residential & property management brokerage serving the OKC Metro. I graduated from the University of Central Oklahoma with Bachelor's in Sociology, intending to use my lifelong passion of helping people in the field of child welfare. However, I introduced to the real estate world in 2010 and was mentored with a service-first perspective. I soon recognized that real estate was the perfect fit for my personality including my everlasting quest for knowledge and my desire to serve others. I obtained my broker license at the age of 25 - a choice I made to better serve myself, my clients, and my peers.

I work hard every day to affect a positive change in the world around me. I'm a member of Midtown Rotary Club, Secretary of my neighborhood association, and actively fundraising for Sisu Youth, which is a locally benefiting charity focused on providing shelter and resources to homeless and at-risk youth ages 15-24. My husband John and I are college sweethearts and have been married since 2014. We live in Oklahoma City with our two dogs and enjoy our minimal down time bingeing Netflix, checking out the latest restaurants, hanging out with our family (especially our twin niece and nephew!!) or catching up with friends.

Why do you want to serve on the board:

Throughout my life, I've been blessed with opportunities to utilize my natural leadership skills, innate honesty, and passion to serve. If elected, I believe I would bring a fresh perspective to the Board and well represent the membership by hearing their concerns and seeking reasonable solutions.
