OAR Professional Standards Committee 2019

Personal Life and Philosophy:

Jenifer has been a licensed Realtor in our great state for 16 years, as well as the Broker/Owner of Havenly Real Estate Group established in 2016 in Edmond. She got her start in real estate doing graphic design for an office of 250 agents. Encouraged by the agents in that office, she got her license and fell head over heels for helping people. She credits Judy Lindsay, her first Broker for the majority of her early training and love of real estate. Jenifer believes in the power of education, and that relationships will always be more important than commissions.

A proud lifelong Oklahoman, Jenifer just celebrated her 10 year anniversary with husband Marty. She is the mother of two children Blakeley (9) and Brigs (6). They have a male cat her daughter named Pinksie, and a bearded dragon her son named Leonardo (after the Ninja Turtle). Jenifer enjoys watching her kids play sports, attending Lifechurch OKC campus, having spontaneous dance parties, traveling, and going to concerts. Their family motto is work hard, play hard, and love harder. Fun fact - her husband played for the OKC Blazers for 8 seasons.

Why do you want to serve on the board:

Jenifer would consider it both an honor and a privilege to serve on the MLSOK Board. Our state has some of the best Realtors in the business, and she wants to make sure we continue to have all the tools, technology, education, and information needed to be successful and to keep delivering the "Oklahoma Standard". We stand on the shoulders of those who have come before us, and It is so important to give back to the organization and people who have given us so much.
