**Tell us a little bit about your personal life and personal philosophy that you are comfortable sharing with the membership online.**

My business philosophy is People OVER Profit. I tell my agents & clients that at Milk & Honey Realty, we are in the service industry, NOT sales. My personal mantra is NEVER stop learning, which is something that my husband of 9 years and I try to impart on our three little girls.

**Tell us why you would want to serve on the board of directors.**

I had the opportunity to sit in on a board meeting a few months back; Data is a 7 billion dollar industry a year AND growing. I believe protecting our data is safe guarding our industry for many future generations of Realtors and our beloved industry.
