COMPLIANCE GUIDELINES

The **MLSOK, Inc. ("MLS")** is responsible for the enforcement of the MLS Rules and Regulations. All written complaints involving violations of the MLS Rules and Regulations will be considered by the MLS staff in accordance with these Compliance Guidelines. All complaints of unethical conduct or requests for arbitration shall be referred to the Association with which the Participant and/or Subscriber holds primary membership or to the Association within which Participant and/or Subscriber maintains its principal place of business. Any complaint that encompasses a violation of the MLS Rules and Regulations and unethical conduct or requests for arbitration will be separated into two issues and handled by the appropriate adjudicator.

Capitalized terms used herein shall have the meaning ascribed to them in the MLS Rules and Regulations.

SECTION 1: THE VIOLATION PROCESS

Alleged violations of the MLS Rules and Regulations must be submitted electronically to the MLS Office through the MLS System using the Online Reporting Form accessed via the MLS System or the Automated Violation System. Each violation report must identify the party making the submission but will be held in confidence until such a time as a party requests a hearing.

The Online Reporting Form must clearly state the nature of the violation and include all applicable documentation. An Online Reporting Form may be submitted by any of the following:

- B. Licensed and unlicensed administrative and assistant personnel affiliated with a Participant and/or Subscriber;

How Alleged Violations Are Recorded

The MLS Rules and Regulations and Bylaws authorize MLSOK to act upon MLS listing violations. There are two means upon which a violation is recorded on the MLS System:

1. Daily automation and administrative process of auditing and remediation of data entry to the MLS of the more common and identifiable violations and/or misuse through the MLS System via the Automated Violation System.
2. Written report of a current violation in the MLS database.

How Alleged Violations Are Reported

1. Via email to datachecker@okcmar.org
2. Through the MLS System using the Online Reporting Form

Upon receipt of the Online Reporting Form, MLS staff will review it and check the MLS System to confirm the violation. If MLS staff determine that a violation has occurred, it will be placed in one of the following categories:

- A. Correctable violations: failure to correct a correctable violation within two (2) business days of notification;
- B. Non-Correctable Violations
- C. Serious Violations;

D. Prohibited Activities; or

E. Additional Fines.

The Participant and/or Subscriber will be notified of any listing changes, required corrections, or non-correctable violations in the MLS Compilation.

SECTION 2: CORRECTABLE VIOLATIONS

Upon confirmation of one of the following violations by the MLS staff, a written notice of the correctable violation will be sent to both the Participant and Subscriber by electronic transmission through the MLS System. The MLS Hearing Panel shall not be bound by the rules of evidence applicable in courts of law but shall afford all parties a full opportunity to be heard, present witnesses, and offer evidence subject to its judgment as to relevance.
9. **HEARING DECISION.** The MLS Hearing Panel will submit its decision in writing, signed by all panel members and chair, to the MLS staff and the Participant requesting the hearing within ten (10) business days of the hearing. If a majority of the MLS Hearing Panel finds that the MLS Rules and Regulations have been violated, the MLS Hearing Panel can affirm, or reduce the fine. If a majority of the MLS Hearing Panel finds that the MLS Rules and Regulations have not been violated, the fine shall be refunded. If the fine is reduced, the appropriate amount will be refunded to the Participant within ten (10) business days after receipt of the decision, unless an appeal is filed.
