Tell us a little bit about your personal life and personal philosophy that you are comfortable sharing with the membership online.

My name is Vanessa Johnson. I was born in Austin, Texas where I graduated from Westlake High School. I graduated from Austin College in 1992, with a degree in Political Science and Social Work. I met my husband, Leon Johnson in 1994 while he was attending the University of North Carolina. After his draft in 1997, we traveled for 9 years during his NFL career. Leon played for the Jets, Bears, Rams and Chargers. My son Jaylen was born in September of 1999 in New York, while my husband was

with the Jets. When my son was of school age we decided to call Moore/Oklahoma City our home. We have been living here since my husband's retirement in 2004.

God quickly opened the door to a career in real estate. In 2005, it took off running, and has been ever since! After moving seven times in nine years, real estate became second nature to me. I have a value proposition that is completely based on experience. I have bought and sold several times and marketing is my passion! I also have a firm understanding that communication forms relationships, relationships build trust, and all are required to have a successful transaction. In 2012, I decided that I needed to leverage myself, so I began Vanessa Johnson's Team (www.SoldinOklahoma.com).

Personally, I enjoy working out and attending RiverLife Church. I am grateful for the opportunity to continue to sell real estate and grow myself in knowledge and leadership! I look forward to giving back to the profession that has given so much to me and those around me. Service is where my passion lies and my joy is helping others!

Tell us why you would want to serve on the board of directors.

I have a deep regard for my profession and for my colleagues! I understand the dynamic times that we are in and feel like leadership, integral leadership, is pertinent at this volatile time. I understand the commitment necessary for leadership and have prepared myself for this commitment at the highest level.

Leadership OAR 2020 has prepared me for a position of leadership on the MLSOK board. I have learned the value of commitment and that I could be a valuable asset to the Board. I am a team player that is passionate about the position of Realtor and how this profession has provided for my family. I want to preserve, uphold and advance the Realtors we represent at OKCMAR.
