

Matt Strayer

2021 OKCMAR Board of Directors Nominee

Hello! I'm Matt Strayer and I've been licensed just under 2 years. I'm married to Gabriela, who is also a Realtor, and we live in Yukon. I love dogs too, which we have an English Mastiff puppy. I've also been devoted to volunteering my time for as long as I can remember because there's a lot of value in giving back!

I want to serve on the Board of Directors so that I can help positively effect change in our local real estate industry. And if change isn't needed then we continue to develop and figure out ways to improve the already in place systems. I have a strong backbone for doing the right things and being diplomatic in the process. I enjoy leading and think this would be a great opportunity to be involved.

Thank you!
