Tell us a little bit about your personal life and personal philosophy that you are comfortable sharing with the membership online.

My wife, Sharon, and I live in Shawnee, where I've been in the real estate industry for about 27 years. Oh Lord! Sharon teaches special education English at Shawnee High School, we're both active in the music ministry of our church, we enjoy one of the friendliest Starbucks in existence (y'all may know where my other is!), and we are very active as "block leaders" through a local nonprofit, Community Renewal.

If I'm connected with you on social media, besides knowing our favorite Starbucks locations, you probably see us toasting a happy hour, trying a new brew, or diving into brunch at one of our favorite OKC spots.

Tell us why you would want to serve on the Board of Directors.

Partially as a response to COVID-19, OKCMAR now needs a total reset of our long-range strategic plan. My visionary leadership style is to wipe out every instance of “I can’t” and replace with “What if?”

- What if our membership territory took on a bigger footprint?
- What if our physical presence took on a smaller footprint?
- What if we offered services to satellite locations?
- What if you could attend classes in the evening?
- What if we had a 24-hour cupcake ATM in the lobby? (joking/not joking)

I’d love to know your what ifs!

We have a huge asset in our building, increasing membership, and a talented staff working through swift changes thrown at them. Our association is going to take on a much different appearance over the next five to 10 years.

Every organization needs continuity in leadership to keep from bouncing in different directions every year. I plan to do everything I can to set our sights farther out and always be focused on that target in every aspect of our evolution.

If you have any questions or something to discuss, please reach out! (405) 585-6580 or email steve@soldonshawnee.com. Let’s also make sure we’re connected on social media!
