### **Service to other boards and committees:**

I have previously been on the board of Sisu Youth Services, an OKC shelter for homeless youth, and also served on the HOA board in my current neighborhood. I was also a member of the American Heart Association's Circle of Red, to provide information to women regarding heart attack prevention.

### **Tell us a little bit about your personal life and personal philosophy.**

I'm an Army brat and spent most of my growing up years between Lawton & Germany. I have been married to Keith for 16 years, and between us we have 4 sons. We moved to the OKC metro area in 2010, bought some rental properties, then I became a REALTOR® in 2013. Not knowing a lot of people in this area, I have worked hard to build my business, and started my own brokerage in 2020 (NewDoor Real Estate). I believe in hard work, honesty and integrity, and am thankful for the opportunity to be able to help others through this business. I love my family, love to read, and I love music and dancing!

### **Tell us why you would want to serve on the board of directors.**

I am interested in learning as much as I can about the board, how it works, and more about how dues are used, in order to better educate and serve our members AND our clients.
