**Tell us a little bit about your personal life and personal philosophy.**

MY MOTTO IS THAT EVERYONE GETS TO COME TO MY PARTY! AT 15 I WAS DISOWNED BY PART OF MY FAMILY BC I DATED OUTSIDE OF MY RACE, I FOLLOWED MY HEART & SINCE THEN I HAVE BEEN AN ADVOCATE FOR DIVERSITY & INCLUSION AT A HIGH LEVEL. I AM THE CHANGE I WANT TO SEE IN THIS WORLD! I AM DIVERSITY & I AM INCLUSION & I AM WILLING TO HAVE THOSE TOUGH CONVERSATIONS AS LEADERS DO TO THOSE WHO ARE NOT PARTICIPATING TO SUPPORT THE CULTURE AND TO PROPEL OUR INDUSTRY!

**Tell us why you would want to serve on the board of directors.**

TO BE ABLE TO GROW MY OWN LEADERSHIP & SKILLS ARE AT THE TOP OF MY MOTIVATION. I highly value our profession and have a lot of input on the agent experience & I am NOT a YES person. I am kind but I do like debate. I feel as a BOD I would be able to get more people involved in learning about the 3-way agreement & more of what would propel our industry! My mission is to add an inclusiveness to the real estate industry through my love of culture while progressively servicing my clients at the highest level possible.
