

## 2022 Board of Directors Nominee Bio

**Name:** Matthew Strayer

### **Service to NAR, OAR, OKCMAR and MLSOK:**

I have been a Realtor with OKCMAR & NAR for the past 3 years. I have been involved in planning with NAHREP OKC. I submitted for the OKCMAR Board of Directors last year, but did not get elected. In 2020, I obtained the AHWD, SRS & PSA designations. During 2021, I have obtained the NCREA & CREIPS Commercial designations/endorsements.

### **Service to other boards and committees:**

Last year I began developing a Diabetes research non-profit and hopefully that will materialize soon!

### **Tell us a little bit about your personal life and personal philosophy.**

Hello! I'm Matt Strayer, I've been licensed going on about 3 years. We live in Yukon. I'm married to Gabriela who is also a Realtor. I love dogs to which we have an English Mastiff. I've also been devoted to volunteering my time for as long as I can remember because there's a lot of value in giving back! I'm also a volunteer Patrol Deputy with the Sheriff's Office which I take great pride in. Since being licensed, I have taken the time to add value to our clients by earning the Seller Representation Specialist designations. I've completed the Pricing Strategy Advisor course and just last week, I earned the Commercial NCREA and CREIPS designations to continue moving upward!

**Tell us why you would want to serve on the board of directors.**

I want to serve on the Board of Directors so that I can help positively effect change in our local real estate industry. And if change isn't needed then we continue to develop and figure out ways to improve the already in place systems. I have a strong backbone for doing the right things and being diplomatic in the process. I enjoy leading and think this would be a great opportunity to be involved. Thank you!
