What other boards, if any, have you served on?	MLS Tech Board of Directors Have served at GTAR BOd member and 2017 past president
Why are you interested in serving on the MLSOK Board?	It would be good to have someone that works with multiple boards and associations to provide input into what each association does good and what can be done better through out the state.
What special talent or resources can you bring to the MLSOK Board of Directors? What do you think is the greatest challenge facing the MLS industry right now?	Well we have several challenges stemming from the Lawsuits to the challenges that MLS faces from 3rd party sources and having served multiple terms at both Local and national levels I have been given great insights and been apart conversation that would benefit our local association and national association.
