Tell us a little bit about your personal life and personal philosophy that you are comfortable sharing with the membership online.

My family life is my life and that is why I got into real estate in the first place. It gave me a life worth living. The flexible schedule allowed me to travel with my kids' sports. My company is being built to leave a legacy to my children's children. If you had not already known, Kbb Stands for Kara, Brooke & Brad, my 2 children. My youngest did obtain a real estate license, He currently is enrolled at UCO in the Engineering program but helps me in Real Estate a lot. My oldest Brooke is married and living just north of Houston working in the medical field. I have been single since 2014 and Real Estate is my life and passion.

Tell us why you would want to serve on the Board of Directors.

After a 3 year service to OKCMAR, I have gained more experience and knowledge into the way in which things operate. I believe I can help on improving the mls where we have shortcomings or need improvement. I enjoy seeing all aspects of our industry get better and I am one to voice my opinion and I believe my years of real estate bring wisdom to our MLS.
