

## 2024 Board of Directors Nominee Bio

Name: **Mark Wilkinson**

### Tell us a little bit about yourself and your philosophy.

I owned an accounting firm in Dallas for 20 years, helping small businesses get launched successfully and now I have served as a Broker and team leader in five different states. I have a broad perspective, seeing what has worked and hasn't worked in other areas.

### Please list your involvement in MLSOK, NAR, OAR, and your local association:

Education Committee 2017, Professional Standards Committee, 2017  
Member of MLS Board of Directors Kansas City 2005,2006

### What sparked your interest in serving on the MLSOK Board of Directors?

I want to serve for two reasons

1. My personal mission statement is to use my ability to inspire, motivate and train to help business owners go from fearful to fearless. It's a great opportunity to serve.
2. Some big changes are coming, some by design, some as tech, AI and data adapts. We need experienced leaders to help our MLS grow into the world in front of us.
