

## 2024 Board of Directors Nominee Bio

**Name** Mark Wilkinson

**Tell us a little bit about yourself and your philosophy.**

After 21 years owning an accounting firm and another 20 years as a real estate coach and Broker I enjoy helping people achieve their goals. I stand in the gap between where they are, and where they desire to be and guide them. Using my ability to inspire, motivate and train I enjoy watching them go from fearful to fearless. I have managed Brokerages in 5 states so I can bring a broader perspective while drawing on my experiences in Texas, Kansas, Missouri and North Carolina.

**Please list your involvement in NAR, OAR, OKCMAR and MLSOK:**

I served on the MLS Board in Kansas City and was on the education committee here back in 2016.

**What sparked your interest in serving on the OKCMAR Board of Directors?**

Many wonderful things are happening at OKCMAR and with changes come challenges. I want to do my part as OKCMAR creates a new legacy for itself and its members.
