**Tell us a little bit about your personal life and personal philosophy that you are comfortable sharing with the membership online.**

In 2015 I got my start in real estate as an executive assistant for a top-producing residential sales team at Keller Williams Elite. I found that I LOVED building businesses, creating systems, and implementing processes. In 2018 I co-founded a real estate photography company and in 2020 opened up a real estate virtual assistant and transaction coordination firm. In January of 2022, my professional world came full circle when I accepted a new role at Keller Williams Elite as the Assistant Team Leader where I coach, consult, and mentor Realtors full-time. In my free time I love reading books, exploring the OKC food scene, and tackling home projects.

**Tell us why you would want to serve on the Board of Directors.**

Serving on the Board of Directors would allow me to give back to an industry that I care deeply about. I believe my experience in systems, business and brand building would be an asset to the team!
