2024 MLSOK Board of Directors Nomination Slate

**Name** Rick McCormick

**Service to NAR, OAR, OKCMAR and MLSOK:**

I have been very involved with all aspects of OKCMAR, including participating in all OKCMAR Events as well as being a Major Contributor to RPAC. I have come to know the Leadership Team at OKCMAR and have been involved with myself as well as my Agent Team in the various events. I am a member of OAR and have attended and participated in the OAR State Conventions in both Tulsa and Oklahoma City in recent years. I am also a member of NAR and follow all NAR news and ongoing events. I host a one-hour weekly Radio Show (The Rick McCormick Show) that is focused on Real Estate in our Area and Market. I continuously promote OKCMAR and each week refer to our Market statistics when discussing the Market Updates. I have been a current advocate and I am a strong voice for both OKCMAR and MLSOK.

**Tell us a little bit about your personal life and personal philosophy that you are comfortable sharing with the membership online.**

I previously served as a Collegiate and Professional Basketball Coach for many years, prior to my Real Estate career. In fact, I was a College Head Coach of five different collegiate programs. During that career I was honored with numerous awards and accolades including National Coach of the Year and captured a National Championship. I hold a Masters Degree from Oklahoma City University and work toward a Doctoral Degree. Currently I direct a group of Agents that are a part of the Rick McCormick Realty Group. In eXp I am a 4X ICON Agent and more importantly have helped Agents on my team acquire this ICON status as well. This background involves an overall theme of 'Leadership', in both coaching and for the past decade in Real Estate. We approach each day with the heart of servant leadership. We are about Relationships over Transactions. We lead with the heart and attempt to bring great value in every situation.

I have a huge interest in animal welfare and currently have two rescue dogs and a rescue horse. I volunteer in my local church and have coached several youth sports teams in the community.

**Tell us why you would want to serve on the Board of Directors.**

I would like to continue in my role of servant leadership. I have a lifetime of leadership roles and I feel I could represent our membership and MAKE A DIFFERENCE!

I was asked by many people to serve in this capacity. I humbly agreed and I will work diligently to represent all members and advance our overall mission, as we seek to "change the world, one homeowner at a time".
