

## 2024 Board of Directors Nominee Bio

**Name:** Sarah Casey

**Tell us a little bit about yourself and your philosophy.**

I approach my life and profession the same way; with purposeful application of advocacy. It's my belief that the best chances for success lay in the moments of consideration and accommodation. Education and knowledge are the greatest tools to have and to share in response to any challenge to allow everyone to move forward with confidence. It's my privilege to mother two amazing children and to share my industry with my life partner and greatest cheerleader. I began my real estate career in 2012 and serve currently as a managing broker. Real estate for me has been unique as the only career to provide a vast array of challenges to capture and hold my interest with no end in sight.

**Please list your involvement in NAR, OAR, OKCMAR and MLSOK:**

It's been my pleasure to serve on a variety of committees on a state and local level, to include several years on OAR's Professional Standards Committee. Since 2014 I've served on OKCMAR and MLS Committees as shown below and am currently also a real estate Instructor for OKCMAR.

- Contracts and Forms Committee
- Bylaws Committee
- Education Committee
- Nominating Committee
- Grievance Committee
- Professional Standards Committee
- Compliance Committee
- Research and Development Committee
- OKCMAR Professional Standards Committee
- Government Affairs Committee
- Commercial Committee
- Policy Committee

**What sparked your interest in serving on the OKCMAR Board of Directors?**

Having served on Government Affairs, Attended and graduated from Leadership Academy in 2022, the opportunity to advance in leadership and advocacy for my industry and peers has led me here. It seems a natural progression to seek out the positions and applications in which the most significant impact can be made.
