Tell us a little bit about your personal life and personal philosophy that you are comfortable sharing with the membership online.

I have a passion for helping others, especially, children and animals. I have been a foster parent since 2004, a CASA in OK since 2012, Event chair for 7-8 events per year to fundraise \$5M+ for 4KIDS of SFL 2004-2011, foster dogs, rescue animals, support rescues, and help adopt out pets to others.

I strive to be a blessing to each person I meet.

I believe in treating others as well as, or better than, I want to be treated.

I hope to make a positive difference in other's lives.

Tell us why you would want to serve on the Board of Directors.

To give back to a Board that has served our industry so well.

And because I am inspired by my friends who have served.
