| <b>Name</b>   | Anya Mashaney   |
| <b>Please list any service (committees, boards, etc) to OKCMAR, MLSOK, OAR, NAR, or others within the industry.</b> | I have been an active committee volunteer at OKCMAR for at least the last 8 years. I have served on a variety of committees but most of my attention is given to Government Affairs and its affiliated subcommittees. I have also served on OAR and NAR committees, including Professional Standards, Government Affairs, Diversity and others. I have also been on the OKCMAR board the last year. |
| <b>Tell us a little bit about yourself. Please include any community involvement or personal philosophy.</b>        | I have been in real estate since 2010, passed my broker exam and was managing broker of a boutique office before I was 25, opened my own brokerage in 2016, and was awarded one of NAR's 30 Under 30 in 2019. I believe in a service oriented approach and strong education and ethics for Realtors.  |
| <b>What motivated your desire to serve on the OKCMAR board?</b>   | I've been involved in service to OKCMAR as well as OAR and NAR. I see the big picture and believe that I would be an asset to the membership by providing my perspective as a younger female broker owner. We are in a season of change and need voices at the table that represent our interests and those of our clients.   |
