**Tell us a little bit about yourself. Please include any community involvement or personal philosophy.**

I firmly believe in a couple of quotes from one of my favorite people - "If you're not growing, you're dying" and "it is never a bad time to do the right thing and it is never a good time to do the wrong thing" Legendary football coach Lou Holtz.

I have lived my life continually focusing on these 2 principals and it has paved a tremendous path for me in this industry. I love learning, I love sharing what I learn, and I love helping others grow in real estate!

**What motivated your desire to serve on the MLSOK board?**

I enjoy and also feel it is a duty to give back to this industry that has been so good to me and that I absolutely love. I began real estate in property management in the early 80's then received my sales associate license in 1999 and my broker's license in 2004. I have owned my own real estate firm, sold it and brokered for some of the top companies in the industry. I have gained a lot of knowledge over the years from my desire to continue to learn and grow. I feel I have a lot to offer the Oklahoma City board and would love the opportunity to volunteer my time and efforts as we maneuver through some difficult and yet promising times ahead.
