Tell us a little bit about yourself. Please include any community involvement or personal philosophy. I am originally from Lawton, and spent several years in Germany when my dad was stationed there with the Army. I have worked in a variety of jobs prior to real estate (dental assisting, event planning, procurement & contract administration for a defense contractor, medical offices). I have a Bachelor of Business Administration Management degree, have been married for 19 years, and together we have 4 sons. My husband and I own NewDoor Real Estate as well as a property management company (People Property Solutions). I've been in the real estate business since 2013. I was previously on the board of Sisu Youth Services and now help raise funds for them and for the YWCA.

I believe in doing things the right way. Honesty and integrity are very important to me. I'm definitely not shy and have never met a stranger. My clients become friends and are like family to me. I love what I do and am very thankful for everyone I have met in this business.

What motivated your desire to serve on the OKCMAR board? I feel that it is important to serve and advocate for the OKCMAR members, and to make a difference for buyers and sellers in this ever changing real estate world. Being on the board has allowed me to learn how OKCMAR and MLSOK operate, and the many nuances that go into each.
