Tell us a little bit about yourself. Please include any community involvement or personal philosophy. I received my real estate license in 1986 and became the broker of Hamilwood Realty in 2006. I've had the good fortune of helping over 4000 families buy or sell a home over my career. I learned early on that I had a passion for coaching and training real estate salespeople. I began coaching salespeople for the Mike Ferry organization from 1996 through 2016. Beginning in 2021 I opened my own coaching and training company, Watson Powers Coaching, with my partner Steve Powers. In 2019, I started my own real estate team, "The Gordon Watson Team" which consists of roughly 20 full-time salespeople and, according to real trends, my team was the 8th highest-producing real estate team among "large teams by transactions" in the country. It is my vision to raise the level of professionalism in our industry and help, those who desire, to build successful careers in real estate!

What motivated your desire to serve on the OKCMAR board? I have spent nearly 39 years in the real estate industry and raised 7 wonderful children! Two of my children have chosen to make a career in real estate and one of them has chosen to make a career in the mortgage industry. As of the end of this year, I will only have one child left at home however, he has made it very clear he intends to go into the real estate business as well. I'm extremely grateful for all that the real estate industry has done for me and my family and look forward to the opportunity of helping others. The Lord has blessed me and given me exposure to many opportunities and situations. I hope to be able to share the experiences that I have been blessed to be a part of, with our real estate community.
