| Tell us a little bit about yourself. Please include any community involvement or personal philosophy. | <p>I have been married 37 years. We have 3 married children and 3 grandchildren. I served 29 years as Children's Pastor at our church and currently the Praise and Worship Pastor. I organize the special activities for the church. I have been a REALTOR®</p> <p>member for 21 years come June. I enjoy giving back to our communities whether it be within our REALTOR®</p> <p>community, my church or other organizations (Regional Food Bank, Habitat for Humanity and others). I don't believe I was placed on this earth to sit around and watch others do all the work. I always find that as much as I love to give I always end up receiving so much more in return.</p> |
| What motivated your desire to serve on the MLSOK board? | Leadership OAR helped me to become more confident. I know that I can help to make a difference with my skills of listening, obtaining information, seeking what is best for our members and our industry, then, taking action. |
