Tell us a little bit about yourself. Please include any community involvement or personal philosophy.	My real estate journey started, like others, from being an agent selling homes. When I discovered that we could join committees and serve on Association Boards, it opened my eyes to the bigger picture. A new view on what it meant to be a REALTOR. Serve. Give back. Grow. We can do more than help people with their home ownership dreams, we can be a voice for the agents as well. I have been giving back through volunteering for as long as I remember. From coordinating 5K races to car shows, bake sales, substitute teaching, PTO, coaching baseball, and more. I love being able to give back to other agents and helping them grow and be successful REALTORS.
What motivated your desire to serve on the OKCMAR board?	I want to continue to give back and serve within the industry. Working with the fellow board members to find new ways to support and educate our members and to advocate for policies that benefit our community. For me, serving on the OKCMAR Board isn't just about a title; it's about making a difference and serving the community and our agents.
