I've also served as an Ex-Officio Director for OKCMAR in 2022 and 2024. On the state level, I've been a Director for OAR from 2022-2025. Tell us a little bit about yourself. Please include any community involvement or personal philosophy.	<p>I started in real estate as an investor back in 2007, right before the market crashed. I learned to be resourceful and figure things out fast, which ended up shaping how I've run my brokerage and led my team. I founded Spearhead Realty in 2014 and now manage 55 agents. My background is in HR, where I led training, compliance, and operations. I still hold SPHR and SHRM-SCP certifications and use that experience daily in my brokerage.</p> <p>I've mentored hundreds of investors locally, and I love helping people find their confidence and systems in real estate, especially with property management. My company's core values are: serve others, build long-term relationships, and execute the fundamentals well. I'm a wife and a mom of two young girls, and I have also mentor a student at Positive Tomorrows here in OKC in the past.</p>

What motivated your desire to serve on the OKCMAR board?

Our industry is evolving fast, and I want to help ensure we're building strong support systems for all members, especially those who may not always feel heard. I believe in practical leadership, transparency, and staying solution-focused.

I've served at the local, state, and national levels, and I want to bring that experience to advocate for OKCMAR members. I also bring strong MLS knowledge, and with OKCMAR as the sole shareholder of MLSOK, I believe it's important to have someone on the board who understands how MLS decisions impact our members directly.
