Tell us a little bit about yourself. Please include any community involvement or personal philosophy.

I'm a U.S. Air Force Veteran, a lifelong Oklahoman, and someone who believes that leadership is not about being in the spotlight-it's about showing up with Humility & Heart when it matters most.

My journey has taken me from combat flight medicine to biochemical engineering to becoming an Associate Broker and Senior Agent at Redfin, where I lead a team of REALTORS® dedicated to excellence, compassion, and client-first values.

Beyond real estate, I've given my time to causes that matter deeply to me:

- Alzheimer's Association
- American Red Cross
- Breast Cancer Research Foundation
- Central Oklahoma Habitat for Humanity
- Oklahoma Humane Society
- St. Jude Children's Research Hospital, and more.

What grounds me is a simple philosophy:

Serve with kindness. Lead with courage. Listen with empathy. Do what's right, even when it's hard, & especially when no one's looking.

Every family I help, every agent I mentor, and every committee I serve is driven by that belief: we're stronger together when we care for each other intentionally.

What motivated your desire to serve on the OKCMAR board?

I'm running for the OKCMAR Board because I believe REALTORS® deserve strong, present, & purposeful leadership - someone who understands our challenges, hears our voices, and shows up when it matters most.

With over a decade of experience as a full-time REALTOR®, Associate Broker, and team leader, I've lived this business from every angle. I know what it's like to write contracts in the car between showings, to problem-solve through tough inspections, and to guide both first-time buyers and seasoned investors through life-changing decisions. That kind of perspective doesn't come from theory-it comes from showing up every day for the people you serve.

I've proudly served on eight OKCMAR and MLSOK committees, from Contracts & Forms to Advocacy and DEI, because I believe in doing the work that moves our profession forward-quietly when needed, and boldly when called. I'm also active in local, state, and federal political arenas, advocating for private property rights, business protections, fair housing, and REALTOR® priorities.

But being on the Board is more than participation - it's about responsibility. It means helping set the strategic direction of our association, protecting what makes our profession great, and making sure our tools, policies, and representation evolve with us.

If elected, I'll bring more than experience. I'll bring accessibility, accountability, and authenticity. I'll be the person you can call when you have a concern, the advocate in the room when decisions are made, & the teammate who's already doing the work to make OKCMAR better for all of us.

This isn't about a title - it's about trust. And if you trust me with your vote, I'll serve with the same heart, grit, and commitment that's defined my entire career, and I would be honored to serve you.

With deep respect & appreciation,
Dr. Kevin Lee Alford, M.Eng., M.S.
Associate Broker & Senior Agent, Redfin
