Tell us a little bit about yourself. Please include any community involvement or personal philosophy.	My heart is in being of service to those in need. Connecting people to help each other and others is one of my favorite things to do. I have a homeless ministry and partner with Bombas the sock company. Every year I receive 10,000 pairs of socks and I connect with different organizations or group groups in the city and surrounding areas to share my donations so they may go further.
What motivated your desire to serve on the OKCMAR board?	Being a part of the process of things that will impact my real estate colleagues is my way of contributing to our industry.
